

**Lubbock Water Board of Appeals
Regular Agenda**

Thursday, February 16, 2012
12:00 P.M.

LP&L Operations Center, 402 Municipal Drive, Room A-128
Lubbock, Texas

1) Call to Order

Welcome and Introductions

2) Minutes

Consider Minutes from the previous Lubbock Water Board of Appeals Meeting on
December 15, 2011.

3) Action Items

3.1) Item 02-2012-01 (Perry)

Consider and take appropriate action with regard to a request made by Paige Perry for credit for excessive water usage during the month of January 2012 at the residence located at 3706 44th Street. A leak was detected and repaired on the property.

3.2) Item 02-2012-02 (Swofford)

Consider and take appropriate action with regard to a request made by Duane Swofford for credit for excessive water usage during the month of January 2012 at the residence located at 2108 14th Street. The meter was tested and found to be malfunctioning.

3.3) Item 02-2012-03 (Reed)

Consider and take appropriate action with regard to a request made by Milton Reed for credit for excessive water usage during the months November and December 2011 at the residence located at 6816 Nashville Avenue. The meter was tested and found to be malfunctioning.

3.4) Item 02-2012-04 (Robertson)

Consider and take appropriate action with regard to a request made by Joshua Robertson for credit for excessive water usage during the month of August 2011 at the residence located at 2308 16th Street. A leak was detected under the house and repaired.

3.5) Item 02-2012-05 (Prather)

Consider and take appropriate action with regard to a request made by David Prather for credit for excessive water usage during the month of December 2011 at the residence located at 5720 80th Street. No leaks detected. No meter malfunction.

3.6) Item 02-2012-06 (Martinez)

Consider and take appropriate action with regard to a request made by Felix Martinez for credit for excessive water usage during the month of January 2012 at the residence located at 1001 N. Indiana Apt 1403. Minor toilet leak reported. Meter tested and malfunctioning.

4) Adjourn

Tentative meeting date will be announced at a later date.
